TRICO Tech® and TRICO® Wiper Blades

Wiper lines designed for the technician to fit nearly every vehicle and every shop.
Universal Beam Blade

The TRICO Tech® is an Advanced Flexible Beam Blade™ offered at a price within most drivers’ budgets. Designed for professionals, TRICO Tech beam blades will fit all your needs and require very little space in your shop.

TRICO Tech® wiper blades:
• Memory Curve Steel® beam provides uniform pressure for a clean, clear wipe
• Superior all-weather performance
• Tested to perform over 1.5 million cycles
• SWIFT® Easy Connection Technology
• Fits all 12 major arm types
• 98% vehicle coverage
• Available in lengths from 13” to 29” with only one SKU per length

Universal Steel Frame Blade

Built to handle what Mother Nature dishes out, the TRICO® (30 Series) blade is the kind of dependable product that helps make your job easier. With a universal adaptor that fits a variety of wiper arm types, TRICO universal steel frame blades fit almost every vehicle on the road, but don’t take up a lot of room in your shop.

TRICO® (30 Series) wiper blades:
• Aerodynamic steel frame provides exceptional strength and durability
• Precision-cut rubber edge creates superior wiping action
• Engineered for better wrap on today’s highly curved windshields
• Pre-attached universal adaptor
• Fits 9mm Hook, 9x4 Hook, Side Lock and Bayonet arms
• Available in lengths ranging from 11” to 28”
